HAZARD RATING 4-EXTREME 3-HIGH 2-MODERATE 1-SLIGHT

MATERIAL SAFETY DATA SHEET

(Prepared according to 29 CFR 1910. 1200)

Date Prepared: 7-30-07

Address 4100 W. 76th Street, Chicago, IL 60652	SECTION 1 - PRODUCT IDENTIFICATION	•		
Product Type Non-Alcohol Hand Sanitizer Proprietory Product	Company Name Daley International			800-535-5053
SECTION 2 - HAZARDOUS INGREDIENTS Chemical Name/Common Name Cas No. Percent (optional) Benzalkonlum Chloride B			tion Telephone No.	
Chemical Name/Common Name Cas No. Percent (optional) TLV (Source)		Product Type Non	-Alcohol Hand Sanitize	Proprietory Product
Benzalkonium Chloride	SECTION 2 - HAZARDOUS INGREDIENTS			
Substances X Contains no substances - subject to the reporting requirements of SARA 313 and 40 CFR Part 372.	Chemical Name/Common Name	Cas No.	Percent (optional)	TLV (Source)
SECTION 3 - PHYSICAL DATA Boiling Point (*F) Approx 212*F Specific Gravity (H,O=1.0) 1.004 ± 0.005 PH 5.5 - 7.0 % VOC (ww) 0.4% Solubility in Water Complete Insoluble Emulsifiable or (Dispersible) Slight (or Partial) Evaporation Rate (vs H,O) Faster Slower About the Same Vapor Pressure NE Vapor Density NE Appearance and Odor Clear colorless liquid. Slight peach odor. SECTION 4 - FIRE AND EXPLOSION HAZARD DATA Flash Point (T.C.C.) None to boiling Flammable Limits Upper NA Lower NA Extinguishing Media NA Special Fire Fighting Procedures NA Unusual Fire Explosion Hazards NA SECTION 5 - REACTIVE DATA Stability Stable Incompatibility Anionic surfactants. Strong oxidizing agents. Hazardous Decomposition Products None SECTION 6 - HEALTH HAZARDS Section 6 - HEALTH HAZARDS Subsequent of Vore-exposure (Cutte) May cause mild to moderate irritation to the eyes depending on the extend of contact. Skin irritation will occur due only to allergic reaction on prolonged contact. Ingestion of larger amounts may cause gastro intestinal natuses and diarrhea. Signs Symptoms of Over-exposure (Chronic) Unknown Medical Conditions Aggravated by Over-exposure Unknown Carcinogen/Suspecied Carcinogen Ingredients: Unknown Medical Conditions Aggravated by Over-exposure Unknown Carcinogen/Suspecied Carcinogen Ingredients: Section 10 - 15 minutes. If irritation persists - Consult a physician.) Eyes Flush with plenty of water for 10 - 15 minutes. If irritation persist, get medical attention. Signs flush with plenty of water for 10 - 15 minutes. If irritation persist, get medical attention. Signs flush with plenty of water for 10 - 15 minutes. If irritation persist, get medical attention. Section 8 - SPECIAL PROTECTION INFORMATION Section 8 Section 9 - Section 9	Benzalkonium Chloride	8001-54-5	0.13%	NE
SECTION 3 - PHYSICAL DATA Boiling Point (*F) Approx 212*F Specific Gravity (H,O=1.0) 1.004 ± 0.005 PH 5.5 - 7.0 % VOC (ww) 0.4% Solubility in Water Complete Insoluble Emulsifiable or (Dispersible) Slight (or Partial) Evaporation Rate (vs H,O) Faster Slower About the Same Vapor Pressure NE Vapor Density NE Appearance and Odor Clear colorless liquid. Slight peach odor. SECTION 4 - FIRE AND EXPLOSION HAZARD DATA Flash Point (T.C.C.) None to boiling Flammable Limits Upper NA Lower NA Extinguishing Media NA Special Fire Fighting Procedures NA Unusual Fire Explosion Hazards NA SECTION 5 - REACTIVE DATA Stability Stable Incompatibility Anionic surfactants. Strong oxidizing agents. Hazardous Decomposition Products None SECTION 6 - HEALTH HAZARDS Section 6 - HEALTH HAZARDS Subsequent of Vore-exposure (Cutte) May cause mild to moderate irritation to the eyes depending on the extend of contact. Skin irritation will occur due only to allergic reaction on prolonged contact. Ingestion of larger amounts may cause gastro intestinal natuses and diarrhea. Signs Symptoms of Over-exposure (Chronic) Unknown Medical Conditions Aggravated by Over-exposure Unknown Carcinogen/Suspecied Carcinogen Ingredients: Unknown Medical Conditions Aggravated by Over-exposure Unknown Carcinogen/Suspecied Carcinogen Ingredients: Section 10 - 15 minutes. If irritation persists - Consult a physician.) Eyes Flush with plenty of water for 10 - 15 minutes. If irritation persist, get medical attention. Signs flush with plenty of water for 10 - 15 minutes. If irritation persist, get medical attention. Signs flush with plenty of water for 10 - 15 minutes. If irritation persist, get medical attention. Section 8 - SPECIAL PROTECTION INFORMATION Section 8 Section 9 - Section 9				
SECTION 3 - PHYSICAL DATA Boiling Point (*F) Approx 212*F Specific Gravity (H,O=1.0) 1.004 ± 0.005 PH 5.5 - 7.0 % VOC (ww) 0.4% Solubility in Water Complete Insoluble Emulsifiable or (Dispersible) Slight (or Partial) Evaporation Rate (vs H,O) Faster Slower About the Same Vapor Pressure NE Vapor Density NE Appearance and Odor Clear colorless liquid.
